# Brief Description

baby&junior, the international trade magazine for children's products and fashion, has been the mouthpiece of the trade and industry for 60 years and is read in around 30 countries. baby&junior has the children's market in its sights – always objective, always competent. Appearing six times per year, baby&junior presents the latest outfitting products for babies and children including car seats, prams, furniture, textiles, care products and toys as well as children's and maternity fashion. Reports and articles on trade fairs, associations, manufacturers, the retail trade and e-commerce complement the featured topics, whilst constituting a valuable decision-making tool for buyers.

In September, the bi-lingual "Trade Fair News" by baby&junior appears in an attractive newspaper format at the annual Kind + Jugend

exhibition, featuring outstanding products as well as news about this important event for trade buyers. The magazine will contain innovations from all over the world and will be published digitally worldwide. It will focus on the innovations and highlights of the second half of the year. A wide range of products for baby and child is shown.

baby&junior's website – [babyundjunior.de](http://babyundjunior.de) – and its English-language counterpart – [babyundjunior.de/en](http://babyundjunior.de/en) – complement the print edition with current news items and industry reports as well as product information, competitions, picture galleries and interactive elements such as our daily social stream and our live blog at Kind + Jugend. Our on-line portfolio also includes the baby&junior Newsletter and our social media presence on Facebook, Instagram and Twitter.

**Printing and binding methods:** 4c offset printing (80 lpc-screen) on coated paper (chlorine free). Wire stitching or adhesive binding. For colour ads genuine proofs are necessary.

- Adobe Acrobat Version XI

- Adobe Illustrator (Version CC 2017)
- Adobe Photoshop (Version CC 2017)

Image data in original sizes requires a resolution of 300 dpi (min. 600 dpi for line drawings). If you are interested, please contact Anna Ugrica (a.ugrica@meisenbach.de, +49 951 861-195) who will also tell you the costs.

**Data storage:** Data will be archived. Unchanged rerun is generally possible. A data guarantee is, however, not assumed.

Faulty exposure caused by incomplete or flawed files, incorrect settings or incomplete information will be invoiced to the customer. This also applies to additional composition and reproduction work as well as the creation of flawed proofs.

# General Terms and Conditions

1. In the following General Terms, «advertisement order» refers to the contract on the publication of one or several advertisements of an advertiser or others in a printed paper for the purposes of circulation.
2. Advertisement orders, unless expressly placed for a longer period, must be carried out within one year beginning with the signing of the contract. Only written agreements or written confirmations from the publishers are valid.
3. If the advertiser augments his advertisement order or adds another order to it in such a way as to increase the number of advertisements, appearing within the one- or two-year period, the probably higher discount will also be granted for already printed advertisements.
4. If an order is unfulfilled through no fault of the publishers, the advertiser must return to the publisher the difference between the granted discount and that corresponding to the actual execution of the order, irrespective of any eventual legal duties. The repayment ceases, if the unfulfillment is based on the force majeure in the risk area of the publishers.
5. Advertisements, which owing to their presentation cannot be recognised as such, will be marked with the word «Advertisement» by the publishers.
6. The publishers have the right to refuse advertisement orders - including single terms within a contract - and insert orders, by reason of their contents, origin or their technical form, according to the uniform and technically justifiable principles of the publishers, when their content infringes laws or official regulations or when their publication is unfavourable for the publisher.  
In addition, bound or loose insert orders are only binding after a sample of the bound or loose insert has been submitted and met the approval of the publishers. Inserts, whose form or presentation give the reader the impression that they are part of the newspaper or magazine or which contain foreign advertisements, cannot be accepted. The advertiser will be informed immediately if his order is refused.
7. The advertiser himself is responsible for the content and the legitimacy of text and pictures submitted for the advertisement. Furthermore, it is the duty of the advertiser to exempt the publisher from claims of a third party, even when it should be inhibited, which might arise against the publishers as a result of the execution of the order.
8. The advertiser is responsible for submitting the advertisement text and the unobjectionable printing material or inserts on time. The publisher demand immediate replacement of obviously unsuitable or damaged printing material.  
The publisher guarantee the usual printing quality for the text submitted, in as far as the possibilities of the printing material allow.
9. In the case of the completely or partly illegible, incorrect, or incomplete printing of the advertisement, the advertiser is entitled to a price reduction or to a replacement advertisement, however, only in as far as the purpose of the original advertisement was impaired. If the publishers allow the reasonable period for this to expire or if the replacement advertisement is again objectionable, the advertiser has the right to a price reduction or a cancellation of the order.  
Liability caused by unfulfillment, negligence on signing the contract an unlawful acts are out of the question also with advertising orders placed by telephone. Extent of liability caused by inability to carry out the order or delay are limited to replacement of the foreseeable damages and the indemnification of the relevant advertisement or insert costs. This is not the case for malice and gross negligence of the publishers, their legal representatives and intermediate assistants. The publishers extent of liability for damages due to failure to provide warranted quality remain unaffected. In commercial business transactions, the publisher are not liable for the gross negligence of

- intermediate assistants; in remaining cases, the extent of liability for gross negligence towards tradesmen is limited to the foreseeable damages up to the corresponding costs. Complaints - except for not obvious faults - must be forwarded within four weeks after receipt of invoice and voucher.
10. The advertiser himself is responsible for typographical errors if the publisher sends him a proof and if he failed to correct the mistake or to return the proof in time.
  11. For payment of the advertisement invoice within 8 days after date of invoice a 2% discount is granted, payment after 30 days is net. In case of delay or postponement of payment, the advertiser is charged with default interest amounting to 3% above the rate of discount of the Deutsche Bundesbank and with the collection costs. The publisher may also discontinue the execution of the order until the advertisements already published have been paid for, and may demand advance payment for the remaining advertisements.  
In the case of justifiable doubts in the advertiser's ability to pay, the publisher are entitled to make the publication of further advertisements dependant on the advance payment of the amount and on the settlement of outstanding invoices, even within the duration of an advertising contract and regardless of an originally agreed upon term of payment.
  12. Where the print-run has been reduced, it is possible to claim a partial reduction in price where several adverts have been booked in advance and where the average distributed print-run quoted either on the rate card or elsewhere is higher than the overall average print-run for the year, starting with the appearance of the first advert. A reduction in the print-run is deemed unjustifiable where it has been reduced by 20% or more for a print-run of up to 50000 copies. The percentage total of the price reduction is calculated in direct relation to the fall in the overall print-run.
  13. Advertisement rates do not include costs for graphic work, or for the preparation of photos or digital data. If such work is necessary for the execution of an advertising order it will be charged extra. Also, considerable changes in original order can be brought to the account of the advertiser.
  14. At the advertiser's request, the publisher will give evidence of the circulation of the magazine for which advertisements have been placed.
  15. In box number advertisements the publisher employs the care of a prudent businessman for the custody and punctual transmission of the offer. Registered letters and express letters concerning box number advertisements will be forwarded by normal post only.
  16. Enclosures accompanying offers and applications forwarded to the advertiser in reply to a box number advertisement remain the property of the sender and must be returned to him.
  17. Printing material, which the advertiser does not expressly demand to be returned to him, is kept by the publisher for two years, however, the publisher cannot be held responsible for any damage or loss caused by force majeure.
  18. Place of payment and place of jurisdiction, in as far as the law does not forcibly prescribe otherwise, is Bamberg.  
Even if the residence or usual domicile of the advertiser is unknown at the time of the endorsement of a claim, or if the advertiser moves out of the area covered by the law, after the conclusion of the contract, Bamberg remains the place of jurisdiction.
  19. The advertising mediators and agencies are obliged to respect the rate card of the publishers, in their offers, contracts and accounts with advertisers. The agency commission granted by the publishers may be forwarded neither in part nor in full, neither directly nor indirectly to the advertiser.
  20. Should one of the preceding stipulations be without legal force, the validity of those remaining is not affected.
